Dorpskernvernieuwing

Ichtegem

**Binnenkort vernieuwen we
het hart van Ichtegem**

Fase 1: Bouw Dorpshuis Ichtegem

A wide-angle photograph of a village square. In the background, a church with a prominent dark spire stands against a clear blue sky. The foreground features a paved square with a central flower bed. Modern, multi-story buildings with large windows and balconies line the square. A few cars and a white van are visible on the street. The overall atmosphere is bright and sunny.
